

Australian Pre-Decimal Mint/Bank Rolls

These bank rolls contain "Mint State" coins hand rolled by the contemporary banks in the 1940s to 1960s from "Mint" bags received from the two Australian mints in Melbourne and Perth.

These rolls usually contain coins in Choice UNC. – GEM UNC. condition. Rolls are normally in just plain heavy brown paper or, in some instances, Bank printed brown paper.

Pre Decimal Silver Bank Rolls
