Luna Park Amusement Tokens

We have been fortunate enough to have acquired a large quantity of these tokens from a deceased estate (the owner of which operated a large number of "slot"/amusement machines as "concessions" on the various Luna Park sites during the 1930's & 1940's (St. Kilda – Victoria, Glenelg – South Australia & Milson's Point - Sydney). There are a number of well known "local" token issuers such as Shelley & Lachmund and a number of US and other "issuers".
